RACE FOR HARDIN'S PLACE TO BE LIVELY

SEVERAL PROMINENT ATTORNEYS OF DISTRICT WILL PROBABLY RUN

With no probability that there will be opposition to the Hon. Charles A. Hardin, of Mercer, for the democratic nomination for Circuit Judge at the special election next year to fill out the late Judge M. C. Sautley's unexpired term, it is expected that the district committee will hold a meeting soon and call an early primary to dispose of the matter. Chairman George L. Penny, of Lincoln county committee, is chairman of the district committee, and will call the committee together.

With the Judge's race practically settled, much more interest is now being developed in the succession to the Commonwealth's Attorneyship when Mr. Hardin shall have gone higher. Mr. Hardin will not resign from his present position until after the election, for his friends feel that there is need that he should and no reason why he should leave a vacancy for the appointment of another republican to office to make a fight on him in the final election next November. After his election, he will resign, and as a new governor of Kentucky will have been elected by then, and in a probability a democrat, it is believed that a Democratic Governor will have the appointment of a Democratic commonwealth's attorney, until a special election to fill that vacancy.

A number of prominent attorneys in the four counties of the Thirteenth judicial district composed of Lincoln, Boyle, Mercer and Garrard are being mentioned for this honor. The field promises to be full of candidates and no one would be surprised to see one from each county in the district. In some counties, several prominent barristers are being connected for the honor. Among those most frequently heard of are County Attorney Rodman Keenon, of Mercer, Attorneys Henry Jackson, and Emmett Puryear, of Boyle, County Attorney Joseph Robinson, of Garrard, county Attorney W. S. Burch and J. B. Paxton, of Lincoln.

An Unmerited Rebuke

UNKNOWN EVANGELIST CRITICIZES PREACHERSVILLE PEOPLE.

Rev. T. H. Thornton, an itinerant evangelist, who finished a protracted meeting here Saturday night, is now at Lancaster holding a meeting there. The services here continued for 19 days and resulted in two professions. After the last service was over, the minister said he could not advise the converts to join the Baptist church here, but rather at Lancaster or elsewhere, as the church here was in poor condition spiritually and he further said he pitied the Christians who had to live in such company. We believe and are lead to hope, that Rev. Thornton has been misinformed, our community, in general, will very favorably compare with any in our State when it comes to morality, sobriety and intelligence. The Baptist church here is an institution which has had an unbroken existence for more than a century, and though disasters have ever assailed and enemies have ever present, she still stands on unscathed and undismayed to final triumph. She may have faults and imperfections, we deny it not, but we feel that the kingdom of God has not been advanced when an utter stranger comes into our midst and tries to administer an unmerited rebuke.

Mrs. Mary Ellen Anderson, has been visiting Miss Carrie Naylor. Miss Sandford, of Lancaster has been visiting the Misses Carpenter. Little Miss Sara May Pettus of Crab Orchard was visiting her teacher, Miss Ella Pettus. Walter Jordan is visiting the family of his father, Rev. R. F. Jordan at Corbin and will spend some time at Hazel Patch hunting. Little Miss Ruby Parrish visited Mrs. W. H. Brown.

Word received from Lexington states that the condition of Mr. and Mrs. Elmore, recently sent to the asylum there from this place remains the same.

We look for two weddings here by Xmas anyway. The matrimonial outlooks was never brighter.

Phil B. Thompson sold some hogs to Evan Foley at 8 cents. John Hester at \$2.40 delivered. M. O. Kennedy sold a two-year-old mare mule to a southern buyer for \$162. Pruitt Thompson sold 150 barrels of corn to F. L. Thompson at \$2.25.

Messrs. W. F. Ballard, P. E. Parrish, S. A. Ballard, Thos. Lunsford, Wods Carpenter and others of our local sports are attending the National Fox Hunters Association meet at Crab Orchard.

W. F. Farks' grist mill is now in running order again. He grinds your grist, shoes your horse and almost knocks you down with kindness.

Mr. J. T. Wells, of Dripping Springs tells us that the four-weeks-old child of Sam Holmes which was severely scalded recently is dead.

Henry Tungate, the 20 year old son of William Tungate, of the Rush Branch section of Marion county, had a narrow escape from death when he fell from a persimmon tree. He landed on a slat fence and one of the slats penetrated his body. His condition is critical, although he is doing well as could be expected.

POLITICAL ANNOUNCEMENTS

For Circuit Judge

The Interior Journal is authorized to announce Charles A. Hardin as a candidate for Circuit Judge of the Thirteenth Judicial district, at the election to be held November, 1911, subject to the action of the Demo-

Col. Jim Richardson answers himself if no other answer were needed, why Bryan should not be nominated by the Democrats for president again. Col. Richardson's objection to Harmon and Wilson, we glean, is that they booted Bryan in 1896. Surely, he hasn't forgotten how Bryan placed himself in the bolting class in the recent campaign by refusing to support Dauman the regularly nominated democratic candidate for governor of Nebraska? Both bolts were undoubtedly matters of sincere principle; where does the difference lie? As for us, we are glad to see the back sliders return to the fold. We need them all. But as Judson Harmon and Woodrow Wilson have had longer time to prove their repentance and seem to have the confidence of the people generally to a degree which never the peerless Bryan could achieve, why we say, let's not go back a decade or so to rub old sores, but all get in the victorious bandwagon meantime singing that good old anthem "As long as the lamp holds out to burn, the vilest sinner may return."

Beautifully spotted, pure bred pointer dogs and highly polished hammer less guns, are very much in evidence these days. But the ruckish looking dogs, it may be with a cold cross and the old battered guns with hammer, can be depended on to bring in the birds.

We believe every reader of the I. J. will be glad to know that the new press has been ordered, and a bigger paper will soon be possible. The press is a Miehle, the finest made.

Free Sample Aids Old Men

The sudden change from years of activity of both body and mind to the quiet of later years causes the human system to undergo many changes, chief of which is in the digestive organs.

It becomes harder and harder to get the bowels to move promptly and regularly and in consequence many elderly men suffer not only from the basic trouble, constipation, but from indigestion, headache, belching, sour stomach, drowsiness after eating and similar annoyances. It is first of all necessary to keep the bowels open and then to tone the digestive muscles so as to get them to again do their work naturally. A violent cathartic or purgative is not only unnecessary but harmful, and something mild will do the work just as well.

After you have got through experimenting with salts and pills and waters of various kinds, and have become convinced that they do only temporary good at best, then try Dr. Caldwell's Syrup Pepsin, a mild, gentle, pleasant-tasting laxative tonic that is especially adapted to the requirements of old people, women and children, and yet is effective enough for anybody. Your druggist, who has handled it successfully for a quarter of a century, will sell you a bottle for fifty cents or one dollar, but if you want to make a test of it before spending any money, send your name and address to Dr. Caldwell and he will gladly send you a sample bottle free of charge.

This remedy is rapidly displacing all other forms of medication for the cure of stomach, liver and bowel trouble, and families like Mr. O. F. Wisner's of Sycamore, Ill., and Mrs. Carrie Culler's of 255 N. Notre Dame street, South Bend, Ind., are now never without it in the house. They have tested it and know its grand value to every member of the family.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 600 Caldwell building, Monticello, Ill.

HOUSEHOLD CARES.

Tax of Women of Stanford the Same as Men.

Hard to attend to the household duties with a constantly aching back. A woman should not have a bad back.

And she wouldn't if the kidneys were well.

Doan's Kidney Pills make well the kidneys.

Stanford women should profit by the following experience.

Mrs. J. W. Fannin, Danville, Ky., writes: "My experience with Doan's Kidney Pills leads me to believe that they are all that is claimed for them. I suffered a great deal from backache and at night could not sleep well. On several occasions my back became so painful and weak that I could not attend to my household work. Being advised to give Doan's Kidney Pills a trial, I did so. They helped me from the first and had I continued taking them long enough I believe they would have effected a complete cure. I was compelled to discontinue their use for some time but I am now taking them again and I believe they will soon rid me entirely of the trouble."

For sale by all druggists. Price 50 cents. Foster-McLure Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

Judge Ike Thurman granted a new trial in the Marion circuit court in the case of Oscar Hammer of Junction City, against Dr. R. C. McChord. Mr. Hammer secured judgment for \$3,000 damages against Dr. McChord on the charge that the surgeon after operating upon the plaintiff, had left a needle in the incision. It is claimed by Hammer that he was permanently injured by the alleged carelessness of Dr. McChord. The case will be tried again at the January term of the Marion circuit court. Hon. Robert Harding and Hon. John W. Rawlings, of Danville, are attorneys for Mr. Hammer.

Croup is most prevalent during the dry cold weather of the early winter months. Parents of young children should be prepared for it. All that is needed is a bottle of Chamberlain's Cough Remedy. Many mothers are never without it in their homes and it has never disappointed them. Sold by Penny's Drug Store.

It is the irony of fate that West Virginia should turn against her creators. Torn from old Virginia during the war, she helped the party responsible for the act for years, but she was returned to the teachings of her old mother, from which let us hope she will never stray again. The Legislature is safely democratic in both branches, thus insuring the defeat of the interest-owned Senator Scott, and adding another to the list of democratic Senators. Even the democrats were so surprised that they were not prepared for the result.

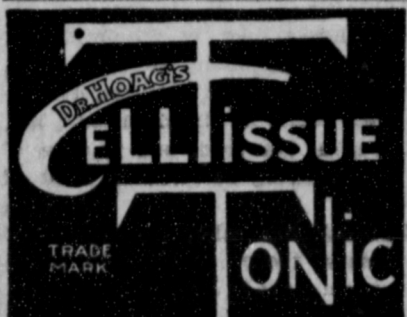

Col. L. E. Tierney, a wealthy coal operator of southern West Virginia has announced his candidacy for the United States Senate to succeed Senator Nathan B. Scott.

Ben D. Hooper the newly-elected Governor of Tennessee, was found on the streets of Knoxville when a few months old and was brought up in an orphan asylum in that city.

The old old, story, told times without number, and repeated over and over again for the last 36 years, but it is always a welcome story to those in search of health—There is nothing in the world that cures coughs and colds as quickly as Chamberlain's Cough Remedy. Sold by Penny's Drug Store.

Dispatches received by officials who are in touch with the operations of the Francisco I. Madero revolutionists leader in Mexico, state that Torreón and Gómez Palacio, two important railroad points, are in the hands of the revolutionists and that the fall of Chihuahua, the capitol of the state of that name, and of Puebla, is expected hard fighting having occurred at both these places. Agents of the Madero forces are said to be on their way to Washington to look after the revolutionists interests.

The situation in Mexico appears serious. For the first time in 15 years of operation the leased wife of the Associated Press from Laredo to Montgomery and Mexico City was commandeered by the Mexican Government on the plea of military need and the Federal circuit manager in Nuevo Laredo was ordered to cut off the Laredo office of the Associated Press to prevent information being gleaned from messages moving over the wire.

These instructions emanated from graph in Mexico City, where it was the headquarters of the Federal Telegraph explained that the Government would require the full capacity of all its telegraph facilities.

The National Association of Fox Hunters, in session at Crab Orchard Springs, will continue the meet during this week. Sportsmen from nearly every state in the Union are present and are enjoying the most successful meeting in history of the association. While the dry weather has been somewhat detrimental, yet the races have been very satisfactory.

Tuesday night the usual ball was given and many of the leading society bells and beaux of Central Kentucky participated. So far there has been only one accident. While taking a fence soon after the hounds were cast Master of Hounds S. L. Woolridge, was thrown into a ditch while taking a fence. His hunter was badly injured but he escaped. Three foxes were up at the same time during the morning. The chase was all that the most enthusiastic fox hunters could ask for.

A movement was started to make Crab Orchard the permanent home of the association.

WELCOME WORDS TO WOMEN

Women who suffer with disorders peculiar to their sex should write to Dr. Pierce and receive free the advice of a physician of over 40 years' experience—a skilled and successful specialist in the diseases of women. Every letter of this sort has the most careful consideration and is regarded as sacredly confidential. Many sensitive modest women write fully to Dr. Pierce what they would shrink from telling to their local physician. The local physician is pretty sure to say that he cannot do anything without "an examination." Dr. Pierce holds that these distasteful examinations are generally needless, and that no woman, except in rare cases, should submit to them.

Dr. Pierce's treatment will cure you right in the privacy of your own home. His "Favorite Prescription" has cured hundreds of thousands, some of them the worst of cases. It is the only medicine of its kind that is the product of a regularly graduated physician. The only one good enough that its makers dare to print its ingredients on its outside wrapper. There's no secrecy. It will bear examination. No alcohol and no habit-forming drugs are found in it. Some unscrupulous medicine dealers may offer you a substitute. Don't take it. Don't tamper with your health. Write to World's Dispensary Medical Association, Dr. R. V. Pierce, President, Buffalo, N. Y.,—take the advice received and be well!

THE PLUMBING THANKSGIVING
should be a celebration of work well done and many people pleased. That is how we intend to celebrate. But we shall not be completely happy until we know that your plumbing is all right. Let have us take a look at it and if anything is needed let us do the work so it will be off your mind and ours. Then we can both be truly thankful.

YOUR LIFE MAY DEPEND

upon the strength of a strap. Run-aways often come from defective harness. Don't expose yourself to mishaps by putting something flimsy on a risky animal. Our harness is equal to all emergencies.

Fall And Winter Suitings

My new fall and winter samples are now ready for your inspection. They comprise the best on the market. I can suit any one as to price who has his clothes made to order. A suit made to your measure is preferable to ready made clothes. To have them made to measure doesn't cost any more than ready made when quality and fit is considered. Come in and let me take your measure.

MANY DOLLARS HAS GONE UP IN SMOKE
that might have been saved by a fire insurance policy. If you have no insurance on your property, take our advice and insure in the Continental company. It makes us weary and sad when a fire occurs to think that a man had not gumption enough to secure a good wad from properly drawn policy in the Glens Falls. Don't be unwise. Insure in time. You will thank us for the tip.
